Looking Back at the 2012 Season

Competitive racing and new events

This was one of the most competitive and fun racing seasons in a long time. We had a good showing of boats at every race day, with 10-12 sailors participating each time.

In addition, two new non-racing events were added to our fleet calendar – Halloween Sail and Turkey Day Regatta. Big thanks go to Patti who organized an exciting Halloween Day, filled with games and candy.

ABOUT US

Many members of our Sunfish fleet have a life-long experience in sailing Sunfish, while others have just begun their sailing adventure.

Our club is all about fun. You will find us an informal group and easy to get along with.

If you already have a Sunfish, bring your boat an hour or two before racing starts. We will help you to rig it and get it in the water.

If you don't have a boat yet, no problem, just come and visit us.

New in the coming year

There are plans in place to extend our Frostbite one-day regatta into a **Frostbite Series Regatta**, with races on select Saturdays during the months of January, February, and March.

For more information, please check our website or contact Anne.
